FOUNDATIONS FOR LIFE STUDIES

"Opening minds and changing lives"

Teaching and training

The usual classes for Pastors and leaders are being continued in Kilinochchi, and Mullaithivu. We also got invitations from Hatton (in the central part of the island) and Chettykulam (North) to start the theological training. This month we started Christian leadership in both places. We see the desire of the Church leaders to learn the word of God.

Food program

We were able to provide dry rations for 100 families this month. The needful families were chosen from different parts of Sri Lanka.

Oshin´s health

For the past two months, Oshin has had some health problems, so she was unable to travel and teach. Her cardiologist (heart doctor) wants her to have an angiogram as soon as possible. This costs about 3 000 kronor. If you want to contribute to this, you can do it by Swish to the church number (see below). Mark the payment with "Oshin's Heart".

PRAY FOR

- unity among the churches. Pray that the pastors will love each other as Christ loves everyone
- the teaching ministry. There is a huge need for our leaders to be trained on the correct foundation of the Word of God.
- Oshin's health and speedy recovery.

If you wish to support our ministry financially, please contact the Pentecostal Church of Helsingborg.
You can also send your contribution by Swish no 123 269 59 14. Write "FLS" under "meddelande" and specify how we should use the money, f ex "food parcel", "students support", "Bernardsson" etc.
